LETTER TO EXAMINER

Sir:

This request for continued examination is being filed in order to have the Amendment After Final Rejection dated March 1, 2007 entered into the prosecution record of the present application. It is noted that the last amendment only responded to requirements of form, i.e., 35 USC 112, first and second paragraph rejections, made by the Examiner in the outstanding Office Action. Therefore, the entry of the last amendment is not understood. If the Amendment After Final Rejection responded to the Examiner's rejections under 35 USC 112 and no substantive rejections were made, it is respectfully submitted that the present application is now in condition for allowance.

If the Examiner feels that there are any outstanding matters left to be resolved in the present application, he is respectfully requested to contact the undersigned in order that they may be dealt with.

Respectfully submitted,

Terrance F. Chapman
